Cosmetology student seeking a professional position on a team that leverages my current skills in basic coloring, cutting, and finishing. I am eager to work with experienced and talented stylists to learn advanced techniques and learn how to further my cosmetology career.

## COMPETENCIES

- Inventory Management
- Workstation Maintenance
- Hair styling
- Advanced coloring
- Scheduling
- Styling trends and alternative cut
- Customer Service

## WORK HISTORY

### **Cosmetology Apprentice at Von Kekel Salon in Raleigh, North Carolina . (06/2018– Present)**

Studying under licensed stylists to gain experience in field; my job tasks involve greeting guests, shampooing them, mixing color, and sweeping floors. I maintain clean work stations and assist wherever I can while they offer me advice and show me how the shop works

### **Team Member at Joann Fabric and Craft in Raleigh, NC. (10/2014– Present)**

Communicated team goals and tasks for the day; customer service involving product knowledge and application; strived for a pristine work environment while stocking and cleaning; cut fabric accurately and assisted customers with projects. Inventory management of fabric and stock was a must, in addition to cash handling and correctly entering data.

## EDUCATION

### **Cosmetology at Aveda Institute, 07/2017 to Present at Chapel Hill, NC.**

Current cosmetology student working towards my license; 750 hours completed. Involved in student council and mentorship program; learned basics of hair cutting, coloring, and styling on clients while passionate about alternative styles.

### **Diploma at Knightdale High School, 06/2013 at Knightdale, NC.**

## Volunteering and Additional Experience

- Beauty for a Cure (10/2017); styled haircuts for cancer awareness event
- Sewing and costuming; quick at problem solving and completing projects with fine details to achieve certain look and outcome. (2014 to present)
